Dear Bill:

It was a pleasure meeting you at the Federal Interagency Polygraph Seminar. Just as you enjoyed Dr. Paul Ekman's presentation, I found the panel discussion on the scope of the Federal polygraph programs equally enlightening. Based on the feedback I have received on this year's seminar, our "brief" exposure and reactions seem to have been reflective of the entire seminar.

The success of this program can be directly attributed to the talent and efforts of your employees [redacted] Chief of the CIA Polygraph Research Facility, and his assistant, [redacted]. I would like to commend them for their efforts and would appreciate your conveying this message to them.

This seminar was one of many similar well-coordinated and mutually beneficial efforts of our respective polygraph programs and we look forward to its continuance.

Sincerely,

Assistant Director in Charge
